Military Personnel Authorizations for CIA

CONFIDENTIAL

1. Attached are:

a. Copy of letter to Secretary of Defense recommending reduction in current personnel authorizations for CIA, and a separate authorization for OPC.

25X1A

b. Chart showing allocation of military personnel requested for [REDACTED] (less OPC).

2. It is desired that preliminary preparations be made either to reassign within CIA or return to the appropriate military department all military personnel now on duty in any office or staff activity in excess of the numbers shown in chart referred to in paragraph 1.b. above. You will be informed of action taken by the Secretary of Defense upon receipt of his reply, and will be prepared to take immediate action to effect adjustments at that time.

3. Immediate steps will be taken to effect the equitable assignment of Army and Air Force personnel within the OSO foreign authorization. Necessary arrangements for selection and screening will be made with the Air Force, in conjunction with OSO, to meet this requirement efficiently.

4. Hereafter, no assignments of military personnel will be made within CIA except in accordance with authorizations granted by the military departments and allocations established within CIA.
